Rose Queen at Home

Rose Queen Emilia will be hosting her 'At Home' on Saturday 7th October at 1.30pm. All are welcome to come along and support this event. Entry is £1 and there will be a raffle, cake stall, teddy tombola, bottle and chocolate stall and Mr Crook will be in the stocks again!

This will be a fun afternoon for all the family, we hope you can attend.

Walking home

It has come to our attention that some children in year 5 and 6 are walking down the lane without adult supervision. Whilst we do encourage independence it is essential that this is discussed with Mrs Swift, who will make a decision about this for each child.

Parents SDP

Please find attached the parent's school development plan. This information shows the targets that the school have been working towards last year and how we achieved them. In addition it shows the new targets the school has set for this academic year. These targets are to help improve attainment, achievement and progress for all children and to further develop the excellent work we are already doing in school. We hope you find this information useful, if you would like to discuss this in more detail please make an appointment with Mrs Swift.

After school

Staff are attempting to help your child to become more independent. We are trying to ensure that children leave school with all their belongings at 3.15pm. However if they forget something they will not be allowed back in unsupervised and they must go round to the office.

Please also note that no adult or child is allowed into the classroom after school without the supervision from a member of staff. If the class teacher is no longer in school the children will have to collect their belongings the next day.

This is to ensure the safety of children and equipment.

Christmas Shop

STARS will be holding a children's Christmas shop in December. The children will be able to buy gifts for their family.

Please send any donations of gifts for males and females into school.
