Information for Parents

St Agnes Primary School works to minimise bullying and to deal effectively and efficiently with allegations.

A detailed description of how the school deals with bullying is found in the Anti Bullying Policy.

If you wish to read this policy please contact Mrs Swift, the Head Teacher.

What is bullying?

Bullying is an abuse of power.

It is a repeated, deliberate act of aggression which causes embarrassment, pain or discomfort to another.

It takes many forms and may include physical attacks, verbal insults, extortion and theft, threatening and obscene gestures, spreading malicious rumours and deliberately excluding people from a group or activity.

Bullying can take place within school, and outside school.

Bullying can also occur via social networking sites such as Facebook. This is known as cyber bullying.

How does the school address bullying?

- Class discussions
- Assemblies
- Visits from outside agencies
- Circle Time
- By providing resources that deal with bullying issues e.g. fiction and non-fiction books
- By treating all allegations seriously in accordance with local authority guidelines
- By working in partnership with parents and pupils to try to find solutions

What should I do if my child is being bullied?

You can discuss this leaflet with your child at home.

You should also speak to your child's teacher or Mrs Swift the Head Teacher.

All allegations of bullying are taken seriously and are dealt with immediately.
