Advice for KS1

A bully can make you feel:

- sad
- worried
- scared

A bully is someone who might:

- call you names
- hurt you
- take things from you
- leave you out of games

A bully does this over and over again!

If you are being bullied:

- tell an adult -
your teacher, the ladies in the playground, the ladies in the office, or your Mum or Dad
- tell a friend or a school councillor
- talk about it in Circle Time
- don't fight back

Remember - it is important to tell someone

If you are bullying someone:

- you are making other children feel scared and upset
- you might be upset or angry about something and taking it out on other children
- you could talk to someone about what you are doing and how you feel
- you could end up in a lot of trouble if you keep doing it
