Friday Note

Worms

It has been brought to our attention that some children have been treated for worms. We would like to reiterate the importance of hygiene, please ensure you talk to your children about washing hands after using the toilet.

Class 3 Assembly

Well done to Class 3 who led our worship on Lent this week. The children spoke very well and the assembly was very informative. Thank you to Mr Taylor, Mrs Hammond and Miss Marlor for all their hard work. Thank you to all parents who attended the assembly.

SNOW

Firstly a huge thank you to the parents who helped the staff to clear and grit the playground this week, it was greatly appreciated.

In the event of the school having to close, parents will be sent a text message informing with the details. This will be sent as soon as possible.

In extreme weather if you cannot bring your child to school, please ring school as early as possible.

During the wintry weather, please ensure your child comes to school in suitable clothing and footwear, as the children will play outside throughout the course of the day. Children may wear snow boots or wellies outside but **MUST** bring school shoes to wear inside. Also please send your child into school with spare socks in case their feet get wet.

Thank you for your co-operation in this matter.

Hopefully the inclement weather won't last too long!
