Rowing Machine

For the past 2 weeks we have had a Rowing Machine in school. This was loaned to us from the Oldham Sports Development Team. The children have all taken part in class competitions to see who can row the furthest in 30 seconds. This is happening in several schools across Oldham and our school times will be submitted as part of an inter school competition. Hopefully the school will have done well! We will keep you updated with the results!

After School Clubs

All after school clubs will be back to normal next week!
