8<sup>th</sup> March 2019

# Friday Note

## Times Tables Rock Stars

On Monday, we celebrated Time Tables Rock Stars: children with the highest score in each year group all received a prize. Well done to all the children for using the program to improve their times tables skills. Keep up the good work!

## World Book Day

On Thursday we celebrated World Book Day, the children looked fantastic in their pyjamas and costumes and we all spent the day doing different activities to support reading and encourage children to read more often. Thank you to Sheila Fletcher who volunteered to read her favourite children's story to Class 1 and 2.

Year 5 buddies also spent time in Class 1 reading to their buddy which they absolutely loved.

## Mothering Sunday Afternoon Tea

STARS will be hosting an afternoon tea for Mothering Sunday on Saturday 23<sup>rd</sup> March from 11am to 2pm. Tickets are available from the office at £7.50 and £3 for children. The ticket includes free tea and coffee, sandwiches, scones, cakes and a glass of prosecco for all mums. Please support this event as the STARS team put in a lot of hard work and time to raise funds for the school and all the money is spent on your children.

## Packed Lunches and Playtime Snacks

We have noticed that some children are bringing unhealthy items of food in their lunchboxes and for snack. Please note that NO CRISPS (baked or puffs included) OR CHOCOLATE are allowed in school. We teach the children how to be healthy at school and would appreciate parental support in this matter.

Any chocolate or crisps will be removed from your children's packed lunch and sent home at the end of the day. Please help us to keep your children healthy! If you would like to discuss this further, please do not hesitate to contact a member of the Senior Leadership Team.

## Shrove Tuesday

On Tuesday Miss Butterworth led assembly in which the children helped to make the pancakes, they all enjoyed eating a pancake at break time and reflected on the beginning of Lent in preparation for Easter. We look forward to hearing from the children about what they are going to give up, or do differently during the period of Lent.

## Parking

Cones will now be put on the yellow zigzag lines at 8am and 2.45pm. This is due to parents parking on the zig-zags which is extremely dangerous. Please can we ask parents to park on Lane Head road and walk down with their children to try and ease the congestion around school.

## Volunteers

Would any parent or grandparent like to come and volunteer in school? We would love additional adults to come and work with children, help with displays and much more. If you are interested please contact Miss Butterworth to discuss this further.

## Science Week

Next week is Science Week and the aim is to celebrate all areas of science and their importance in our everyday lives. All the children will be taking part in a variety of scientific experiments next week.

## Mobile Phones

Mobile phones are not allowed in school. If there is an exceptional circumstance when your child needs to bring a phone to school it must be discussed with Miss Butterworth beforehand.

## Church Service

The service this week will be held on Sunday at St Agnes' Church at 9:15am. We hope to see you.

## Additional Information
