

St Agnes Primary School

'Learning together in God's love'

26th April 2019

Friday Note

Welcome Back

It was lovely to see everybody on Wednesday, we hope you had a lovely break. The children all came back happy and raring to go for the Summer Term. Just a reminder that summer uniform may now be worn in school. However due to British weather please make sure your child is warm enough when they come into school, winter uniform can still be worn too.

Children's Charity Idea – Easter Bake Sale

Thank you to all the children for this fantastic idea and families who donated and baked cakes for our Easter bake sale. We all really enjoyed this event and a fantastic £183 was raised. This will be split between the RSCPA and STARS.

Friendship Assembly

Well done to Grace and Ellie for preparing our first assembly. The children asked if they could help to be part of the assembly and prepared a series of dramas, questions and discussions around our theme of 'Friendship'. The children were very well prepared and involved all of the children. A special well done to Alex who helped them act out a friendship scenario.

It's lovely to see the children being part of our daily worship and help us to deliver meaningful and reflective assemblies. I am sure they will continue to help us in assemblies as they both really enjoyed it.

Class 4 Parents Evening

Parent evening for Class 4 will be held on Thursday 2nd May (1.30 – 3pm and 4.30 – 7pm) and Friday 3rd May (1.30 – 3pm). Letters were sent out on Wednesday. Please fill in a convenient time and we will endeavour to accommodate you. The appointment times will be sent out next week.

Church Service

This Sunday the service will be held at St Agnes' Church at 9:15am. We hope to see you.

Additional Information

None

Peer Mentoring

This week the Year 5 Young Leaders went to Denshaw Village Hall as part of the Dovestones Learning Partnership. The children had the opportunity to work with other Year 5 children to become Peer Mentors. This initiative is training the children to work with other year groups, run supervised lunchtime clubs and develop friendships throughout school. The children really enjoyed the day and got to meet other Year 5 children from the DLP schools. We are sure they will continue to develop these skills and use them to benefit the whole school at Lunch and Break times. We can't wait to see what clubs they run!

STARS

We are sure you have seen in the news about decreasing budgets in schools. Every school is receiving less money, which is why we are so dependant on STARS to enable us to provide more for your children. STARS is a wonderful asset to St Agnes and this year they have funded lots of extra trips. We are hoping to use some of the money that they have raised to buy new ICT equipment and we have been able to purchase a much needed Defibrillator for school which is coming soon. The next term we have lots of STARS events coming up such as a Sleepover, Disco and Barbecue, we hope you will continue to support these events as all the proceeds go to your children. Further details about these events will be sent out this half term.

If you would like to help with these events or join STARS please contact Miss Butterworth. Your help is always needed and the team are always after extra help.
