Dear Parent/Carer

Well what a year! We would like to take this opportunity to say thank you to all the parents and carers for your support during this challenging time. It has been very difficult and we miss the children very much and cannot wait to get them back to school in September. We have remained open throughout lockdown and expanded our opening to allocated year groups. We feel that we have done this safely and sensibly and feel confident that we can continue to do so for all children in September.

The Senior Leadership team and Governors have completed a thorough risk assessment for reopening which can be found on our school website, this has been verified by the Local Authority and will be reviewed weekly.

We have made adaptations to school to ensure each class will remain in a bubble and not mix with the other classes. Therefore when the children start back to school on September 2<sup>nd</sup> we will have staggered start, break, lunch and finish times. Please find the start and finish times for each class below. Siblings should be brought at the same time and will be accepted into the classes. For siblings please arrive at the earliest class time.

Class	Start time	Finish time
Class 1 (Reception)	9.00 am	3.00 pm
Class 2 (Year 1 and 2)	8.50 am	3.10 pm
Class 3 (Year 3 and 4)	8.45 am	3.20 pm
Class 4 (Year 5 and 6)	8.40 am	3.15 pm

We ask that these times are adhered to and only one parent brings their child on the playground, we also ask that parents drop off and collect then leave immediately to ensure mixing of groups is limited. Parents can come to the school office if necessary but if possible please ring school.

Children can bring bags with a snack and water bottle which will be sent home each night. Full school uniform must be worn.

KLASS will be open as normal from 7.30 am to 6.00pm. Your child must be booked in with Katie so please contact her if you require a place in September. A risk assessment for KLASS can also be found on the school website.

This plan will be subject to change if the Government plans for reopening alter, therefore we will keep you upto date if this happens.

We know that many of you may feel anxious about your child returning to school but please rest assured we will do everything possible to maintain safety and look after your children. We are aware that the children have missed a lot of learning and this will be addressed in September. Our teachers and teaching assistants are excellent and will make sure your children are happy and will work extremely hard to plug any learning gaps.

We do apologise that this letter is full of rules and regulations, it's only because we care and want to keep your children safe.

Miss Butterworth will be available via email throughout the summer holidays so if you have any questions at all please do not hesitate to email on [head@stagnes.oldham.sch.uk](mailto:head@stagnes.oldham.sch.uk). We hope you have a lovely summer and we will see you all back in September, take care.

Yours sincerely

Mrs C. Ireland and Miss S Butterworth
