

What 'home learning' can I expect from St Agnes Primary School?

This information is to be used as a general guide and parents can expect further details of home learning for their child as and when it is required. We aim to implement home learning from your child's second day of absence. There are 2 general scenarios outlined below; the first scenario where your child is not permitted to attend school and the second outlines the actions in the case of a whole bubble not being permitted to attend school.

The government's Oak Academy online lessons offer high quality content for home learning for every year group, covering a wide range of curriculum objectives, which we will be asking children to access. <https://classroom.thenational.academy/schedule-by-year>
