

School Council Newsletter

Our School Council

This year our school councillors are Nann, Albie, Minnie, Lola, Jaxson, Amelia T, Max, Ted, Deborah, Jakobe, Hbilly, Logan G and Alfie. We meet once a month to discuss what is going on in school, suggestions from other children about what they want in school and fundraising ideas, to name a few. Make sure you put your suggestions forward or speak to one of us if you have any ideas! As part of kindness week we gave an assembly to the rest of the children on what makes a good friend.

Watch This Space!

As part of school council, we have been tasked with coming up with some fundraising ideas. We discussed this in one of our meetings. Some of our ideas were:

- Break the Rules day
- Coffee Morning
- Teddy Bears Picnic

Dates to be confirmed, but they will be advertised on the Friday Note.

Class 1

We have enjoyed doing maths, the Gruffalo and the Three Little Pigs. We made the Three Little Pigs houses and tried to blow them over and we made a trap to catch the Gruffalo. We went to watch Robin Hood at the pantomime, our favourite bits were the singing and dancing. Our favourite bit about school is playing with our friends.

Pippa and Charlotte

Class 2

I have enjoyed science and art. I loved making the Tudor houses for our Great Fire of London Topic and doing the nativity. I was a great bossy king! John came into schools to help us learn about the Great Fire of London, we pretended that we were actually there! My favourite thing about school is writing, maths, science and playing football and basketball!

Furqan

Class 3

Our favourite topics have been Volcanoes, Christmas and London. We loved making the volcanoes, making Christmas cards and decorating our classroom with paper chains. We went to Summit Up with Horton Mill, we had a really good day. Our favourite things about school are being with the teachers, handwriting and learning!

Max, Heidi, Aalimah and Sam

Class 4

This term we have enjoyed a Christmas Carol, Vikings and The Americas topics. Our favourite bits of learning were learning about Prince Albert bringing German Christmas traditions over to England, trying to learn the 50 states of America and the reading challenge. We had a real life Viking visit our class, we learnt about Viking life and took part in a battle. Our favourite things about our school is playing football at dinner, maths, topic and playing basketball.

Daniel, Theo and Nbah
